Teachers - We Are Here For You Too!

We provide you with a checklist of Drama Learning Areas covered to aid with reporting.

Our program then links into all aspects of Drama Learning Areas from K-6.

Depending on your needs, we offer:

- One-off workshops
- 2-10 week programs
- Or, a whole year's worth of lessons, for each class!

"Thank you for the wonderful drama experience that you have brought to our school. Every single student from Pre-primary to Year 6 has been fully engaged throughout the program and it has given our teachers an opportunity to really observe their students for assessment of the drama curriculum. We have had nothing but positive feedback from our staff, students, parents, and we cannot wait to get you back to our school next year."

"Students at City Beach Primary School have participated in drama lessons with teachers from the Helen O'Grady Drama Academy over several years. Voice production and expression, body language and movement, as well as the development of self confidence have been obvious benefits of the program. The children have all loved the experience!"
