Term 2 Hello from Camp Australia Madeley

We have had a busy two weeks making Mothers Days Gifts, news reporting, fabric painting, water marbling and making wooden battery cars. Children have put a lot of effort into creating gifts for parents.

We have been working together to build positive relationships and respectfulness amongst the children and with Educators. 'The kindness tree' has had a positive effect on children's behaviour and manners. We will continue to encourage and support children's learning dispositions in being patient, kind, caring and by playing as a good friend.

Soccer has been an ongoing sport for after school activities. Joshua and Liam have chosen teams and taught many of the children ball handling skills and rules and regulations of the sport.

Children have brought in some beautiful family photographs that they have displayed in the frames they have especially made for our family and friends wall. We would welcome more family memories to place on our board. Come and take a look!

Children have been interested in news articles and have written stories of themselves and the positions they hold in their classroom and school community. It was very informative knowing what is expected of them in these positions and how they respond to their responsibilities.

Please continue to encourage your children to bring a hat with them to Camp Australia, so they can participate in all our outdoor activities. Also please remind your children what days they will be attending Camp Australia.

We have prepared a special homework area. Please let us know if you would like your child to complete homework while at Camp Australia.

Thank you
