

Madeley Primary School | 30th July 2014

Term 3 WEEK 2

Welcome back! We all at Camp Australia hope everyone had amazing holidays!

This term the kids have decided that our theme will be jungle animals and zoo animals, we have started making elephants, hippos, tigers, lions, rhinos, giraffes and koalas. We will continue our theme with making many different arts and crafts to do with jungle and zoo animals. These activities are all educational and the children are all loving learning new things about animals.

We have started a new exciting program here this term, called star of the week! Each week a new child who is showing outstanding behaviour, amazing manners, helpfulness, or trying really hard in every aspect will get their certificate on the wall and a mystery surprise from the prize box. This will be given out every Friday and they'll be the star of that following week. These children will be announced in the newsletter every fortnight!

This Term we have lots of exciting activities on our timetable, starting next week we will have someone coming in on a regular basis to teach our children different sports. This professional athlete will teach the children skills in many different sports. The children will see what the life of a professional athlete is like and get to experience new people teaching them sport!

I would like to say a big welcome to all the new families I hope you and your children are enjoying your times at Camp Australia.

If there are any questions or you would just like to see what's going on feel free to come in and see.

Thank you

The Team at Madeley Camp Australia
