## Term 4: WEEK 2

Welcome Back! Its term four and we have so many fun and exciting things planned for this term. As Christmas is fast approaching as well as Halloween, we will be doing arts and crafts themed on these events.

We have a pupil free day coming up on Friday the 31<sup>st</sup> of October. We need at least 18 children so hurry up and ensure you book in before Friday 24<sup>th</sup> October. © More information is displayed on our parent information board.

This will be Halloween we will be having a Halloween themed day, so feel free to come dressed as your favourite scary character. We will be doing lots of fun games there will be scary prizes and all our food for the day will be themed Halloween.

We have started a point system with the children; all the kids have been placed in teams. They get points for doing good deeds, being nice to their friends, helping without being asked and many other reasons. We tally the points at the end of the term and the winning team gets a special prize.

The holidays were very fun, with lots of new and familiar faces coming; we had lots of fun making kites, going to the aviation museum, going to the movies, and many other fun art activities.

We have already had a lot of fun in the first week of term, making ice cream as one of our science experiments, making milo ice cream for something yummy to eat, doing string painting which looked amazing, doing spray painting, making cookies, making banana ice cream, playing outside, doing soccer competitions, and many other fun activities.

Feel free to come in and check out what your kids are up too. I would like to say a big welcome to all new families and a welcome back to all existing families, were all looking forward to a great term.

Thank you
