Term 4: WEEK 4

Welcome to this fortnights newsletter. Over the past few weeks we have been doing many exciting things.

We recently had our Halloween party; we played spooky games, watched spooky movies, got spooky prizes and ate lots of yummy food with the highlight of all being candy apples. The kids had so much fun and we all enjoyed it.

We have been hard at work redecorating our room when it's finished it will look amazing so come in and check it out!

We also have recently been donated an Xbox very kindly. We use this as a reward for being very good or being very nice, polite or friendly. The kids get time tokens so not everyone gets a turn everyday but eventually everyone that wants one will get a turn. We also only do this over the period of 10-15-20 minutes the kids get times depending on what they have done.

We know it's very early but we have started Christmas craft! We will also be decorating our Christmas tree soon. We will be making lots of fun decorations and having a lot of fun learning about Christmas.

We have started a point system with the children; all the kids have been placed in teams. They get points for doing good deeds, being nice to their friends, helping without being asked and many other reasons. We tally the points at the end of the term and the winning team gets a special prize.

Feel free to come in and check out what your kids are up too. I would like to say a big welcome to all new families and a welcome back to all existing families. We are all looking forward to a great term.

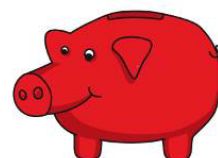

Thank you
