

# ASHDALE CLUSTER DANCE GROUP AUDITIONS

Monday 1<sup>st</sup> February 2016

We are continuing and expanding our gifted and talented Ashdale Cluster Dance Troupe in 2016, for students who will be attending Ashdale Secondary College in 2017. The reason for this is that this group will be our Dance Academies in Year 7 in 2017.

This group is designed to offer talented dancers within the cluster an opportunity to develop their dance skills and techniques aiming towards performances at various School, Cluster and Public events around Perth.

So if you are either an experienced dancer or someone who would like to learn dance in a safe and FUN environment in a purpose built dance studio please come along to the Audition and Information session on:
