

Madeley Camp Australia OSHC | 9th February 2016

Nature and Water World

Welcome back for an exciting new Term One! We hope all the children and families have enjoyed their school holidays and children have settled back nicely in their first week of school. This upcoming term children will engage in fun and interesting activities and build on their communication, leadership, team building skills through play, discovery, engagement and learning. Children will have the opportunity to develop their creativity by participating in different art and craft activities, cooking, science experiments, dress up and drama, etc. Children can also enjoy outdoor activities such as football, soccer, free play in the sandpit and playground, and different team games for a better sense of wellbeing.

This term we are focusing on Nature and Water world and our ocean themed activities are designed to explore sea animals, ocean recycle art and crafts, colouring, weaving, sewing, texture exploring and sensory play.

We are also focusing on bringing the natural materials in so we will be going for a nature walks and collect branches, leaves, rocks, sand to enable children better connection to the world around us.

Our Suggestion Box is located on Sign in/out desk at Madeley OSHC. If you have any ideas please fill out a slip and pop it in. We are always looking for new ideas and activities and would love to have your input.

We are looking forward to the rest of the Term!

Sincerely,

The Camp Australia Team
