Better Buddies Program

Camp Australia in partnership with the Alannah and Madeline Foundation created our exclusive Better Buddies Program to help children feel safe and welcome while attending our services.

As part of this program we have introduced activities such as Getting to Know You, Buddy Bear activities and creating a welcome bunting.

This program strongly supports My Time our Place Framework and fosters children's wellbeing, learning and development. It will also enable educators to help children's transition to school and help children feel secured and supported.

In the last two weeks children at Camp Australia participated in lots of amazing activities such as art and craft, construction, modelling, board games, science activities, puppet theatre show, drama and dress up play.

We always have our group of chefs ready to cook yummy recipes. The favourite recipe last week was Chocolate Rice Puffs Slice. As we had beautiful weather last week, children were able to enjoy games and activities outdoors.

Being in the fourth week of school we are happy to see children take responsibilities to complete their homework while at Camp Australia and our Educators can always help.

Sincerely,

Camp Australia Team
