

## Camp Australia Newsletter 5 May

Here at Camp Australia we are all excited about the start of Term 2 and we hope children have settled well into the school routine. In the next few weeks we will be focusing on developing children's confidence and social skills. This will be through a variety of planned and also spontaneous activities and learning experiences, according to children's age and interests. Focusing on providing opportunities for children to participate in drama, visual arts, dance, cooking and science experiences.

Camp Australia in partnership with the Alannah and Madeline Foundation created our exclusive Better Buddies Leadership program. Providing leadership opportunities to enhance children's self-confidence and compassion towards each other. All children will be encouraged to participate. This program provides us with safe, fun and engaging activities so that every child is supported to participate. We believe that all the children have the potential to develop leadership skills and some children may need more support to see themselves as leaders, however with the right opportunities every child can be given a chance.

We will keep providing healthy snacks for children with some new healthy recipes on the way and new cooking adventures for our chefs. Please feel free to visit us should you have any enquires about the or visit our website on [www.campaustalia.com.au](http://www.campaustalia.com.au).

Sincerely,

Camp Australia Team
