WHAT'S INVOLVED

- Dress up as a Pirate for a day (yes including the staff!)
- A fun and educational day.
- All schools/centres receive a host pack which includes lesson plans, colouring material for younger students, a school poster and a white eye patch for every student and staff member to wear on the day.
- Collecting treasure - we encourage you to 'collect treasure' (a gold coin) with all funds raised from the day going toward childhood brain cancer research.
