Landsdale Junior Cricket Club offers a fantastic cricket experience for boys and girls through the In2Cricket and T20 Blast programs for our younger members (5-9yrs), and club cricket for Under 10's through to Under 17's competing in the NWMCA (North West Metropolitan Cricket Association) competition. We have players who come from a wide catchment that covers the northern corridor and a range of northern suburb schools.

The 2016/17 season will see Landsdale Junior Cricket Club celebrate its 15th year. The club is hopeful of another successful season on the pitch and looks forward to soon seeing returning members, coaches, volunteers and supporters as well as welcoming new members to our club.
