

Free parenting workshop

Family and Children's Services invite you to our FREE Parenting Workshops.

The program is facilitated by Protective Behaviours WA and supported by the City of Stirling's Outside School Hours Care.

Workshop Details

The City of Stirling and Protective Behaviours WA are providing an informal session to educate and provide parents with the practical skills to empower their children to stay safe and to cope with situations that threaten their wellbeing.

All workshops contain the same information but will be located at different venues within the City of Stirling.

Family Services

Family Services offers a range of programs and events to support families and communities in relation to:

Health and wellbeing

Improving health and wellbeing, addressing life-style health risks and fostering resilience.

Strengthening families

Creating opportunities for social support, relationship building, learning and skills development.

Connecting communities

Contributing to the development of a connected, inclusive with access to a range of support networks.

Children's Services

Children's Services offers a range of Outside School Hours Care from several locations within the City of Stirling. Full details are available on the website.

The service provides a safe and secure environment for children of various ages to grow and develop life skills through play and choice. We support diversity through partnerships and engagement within the community.
