Camp Australia Newsletter 21<sup>st</sup> September 2016

Welcome everyone to our latest Term 3 Newsletter. During the last two weeks we have been focused on Healthy Eating program implementation and we encouraged children to develop healthy eating habits and share their ideas on menu planning and preparing snacks. Children's interests were followed in program planning and we encouraged children to engage in variety of activities and games, playing with friends, imaginative play, outdoor games, cooking, science experiments and music.

There were different activities planned so that children can participate and donate a gold coin to support the Smith Family and Back 2 School Program. The children had a great response to this initiative and made lots of art and craft items for sale such as cards, picture frames, paper cups with flowers, etc. We were also organising the After School session Disco on Wednesday 7<sup>th</sup> September. There were lots of music and guessing games, team competitions, disco lights and yummy food to ensure the children have great fun. We would like to thank all the parents and children for their kind donations and all the funds collected will be donated to the Smith Family. We hope this will help to bring many smiles to children who need help with school supplies.

There are also some changes within the Camp Australia Team at Madeley. Jessica Fraser is leaving the team as she is taking a teaching position in Kalgoorlie. Jess has been working at Camp Australia for two years and has been admired by all for her great work and passion to make kids smile. We wish Jess all the best in her teaching career and will miss her a lot.

Our Holiday Club program is approaching and the theme for these Spring Holidays is We Can Build It.

For all information about our coming Holiday Club program please visit the website [www.campastralia.com.au](http://www.campastralia.com.au) or come and visit our friendly team at Camp Australia OSCH.

We wish you all a fantastic school holiday.

Sincerely,

Camp Australia Team
