

Dear Parent or Carer,

As part of the Ashdale clusters commitment to educational excellence, Ashdale SC is offering a series of Science extension lessons to year 6 students over a 2-week period. This is being conducted as part of a secondary visitation program, which involves 1 lesson per week being taught up at the Science labs at Ashdale SC. These lessons will be focused around the schools needs and will enhance the student's knowledge and skills in Science.

The visit to Ashdale SC will involve the students travelling to ASC on the school bus with their teacher:

Group 1: BLA1 - Tuesday week 4 & 5, Term 4

Group 2: BLA2 - Tuesday week 6 & 7, Term 4

Bus Departs Madeley at 9:45am

Science session at ASC 10:00am – 11:00am

Return to school 11:30am

This is of no cost to you however we do need permission for your child to take part and travel up to ASC.

If you agree to your child taking part in this wonderful opportunity please sign the slip below.

Thank you for your support

Laura Bateson

2IC of Science Learning Area /Primary Science Coordinator

Ashdale Secondary College

Permission Slip to attend Ashdale Secondary College

I give permission for my child to take part in this program and travel by school bus to Ashdale SC with their teacher.
