Great Fun in OSHC

This term certainly is going quickly, but as they say 'time flies when you are having fun!'

It has been another great week in OSHC, enjoying time with our friends and getting active joining in some great activities.

Because children have different interests and stay for different periods of time, we provide a wide range of engaging activities, but beware: we find parents have trouble getting their kids to leave because they are having so much fun!

Just some of the activities on offer in each program include: outdoor sports and play time, creative time for building and construction or music and drama, homework and quiet time, arts and crafts, time to cook and enjoy a healthy snack and much more.
