We are very excited and have been busy choreographing our items in preparation for the whole school production. This year our production will involve all students from Year One to Year Six. This Production is our opportunity to show off how talented the students of Madeley PS are. This year we have an entertaining original script full of cheesy jokes, familiar characters and plenty of dance songs.

Does my child need to be at both shows?

Yes. We need every student at both shows for the choreography. If you are not in the audience you can drop off and collect your student so they can perform their item. See individual class information, closer to the show, for more details.

Is there a dress rehearsal?

Yes Students will need their complete costume for Monday 12th June as we are bussing to Ashdale Secondary College for a full dress rehearsal. This will also give students an opportunity to see the entire show with full lights and sound. Permission slips for this event will be sent home soon.

What about tickets?

Tickets will go on sale in Week Six, 29th May. Every family will be allocated **two** tickets to ensure every student has someone in the audience. Any remaining tickets will be released on a first come basis in Week Seven. If you require more tickets due to family circumstance please let the ladies in the front office know. To help cover costs we will be selling tickets for \$10 each.
