

Dear Parents/Carers

**TRADING CARDS CLUB 2017**

Interested students are invited to participate in a Trading Cards Club which will be held every Tuesday at lunchtime in the Undercover Area. The club will involve students bringing along their card collections (e.g. Pokemon, Yu-Gi-Oh, AFL etc) and **playing games, showing and/or trading cards**. Other items such as magazines may also be brought to the club. The club will run in the winter months only.

Trading cards will not be permitted in the school on any other day or time to this.

The trading of cards will be the responsibility of students although they must have permission from you to be involved. Students may participate in the club (play games/dual etc) but not trade cards if you prefer. All trades become permanent and will not be reversed by school staff. Students will only be permitted to trade with those in their own year level or with students who are one year above or below them.

It is recommended that parents provide their children with an appropriate container or file for cards to be safely stored as it is each student's responsibility to look after their own collection. All magazines or game items should be clearly labelled with your child's name.

In order for your child to participate in the club the following form must be signed and returned to Mr Bevan. For more details please feel free to contact me.

Yours sincerely  
Stephen Bevan
