## Great Fun in After School Care

Our Out of School Hours' Care programs are always so much fun! That's because our programs consist of a range of activities that allow your child to learn something new every single day, such as:

- ✓ **Indoor and outdoor play time fun** – free time play promotes physical wellbeing and an active lifestyle. We find that indoor and outdoor fun also helps your child to unwind outside of school hours
- ✓ **Creative time** – we always allow time for creative outlet activities in the program. We believe that arts and crafts help to extend and encourage your child's interests, imagination and self-expression
- ✓ **Manipulative and logical play** – we provide the necessary resources to allow your child to learn new things through seeing, feeling, reading and doing, such as playing with building blocks, conducting scientific experiments as well as cooking
- ✓ **Social and development skills** – we help to build your child's communication and social development skills through group co-operation and community involvement games and activities
- ✓ **Homework and quiet time** – it's important that we allow your child to have the flexibility to sit and read or do their homework, should they prefer some quiet time outside of school hours

### We'd Love to Meet You

We welcome you to visit our program at any time. You'll also meet the team and will have an opportunity to ask any questions that you may have about the program.

We look forward to seeing you and your family soon.
