9th November 2017

Dear Parents and Guardians,

Muddy Gully Incursion- MLA 1, MLA 2, MLA 3 and MLA 4

We have organised this incursion to be an interactive and educational event for the M block students to enjoy. Please read the information below provided by Educated by Nature, who will be facilitating this incursion:

Natural clay offers tactile experiences that engage the senses, inspire creativity and support fine and gross motor skills. This incursion gives children an opportunity to take sensory risks in a supportive environment. Sloppy, firm, gooey and muddy clay is available for small scale or full body exploration of clay in various forms. Natural ochres are provided for face painting with an indigenous connection. Water play is also an important part of this incursion - a chance to tip, pour, collect and splash.

Incursion to be held: MONDAY 20TH NOVEMBER

Cost: \$13 per child

Please read the following blog to learn more about this wonderfully tactile experience. We are utilising a different provider than the Mud Incursion held last year, so an alternative experience will be had by the Year One and Two students in 2017.

Each student will need to bring:

- **OLD** clothes, both top and bottom (ones you do not mind getting trashed).
- An old hat to wear during the incursion.
- Full water bottle.
- An old towel for drying off after being hosed down.
- A change of underwear and school uniform to change into after.
- A large spare plastic bag for the muddy clothes to go in after.

NB: *MLA 3 and 4 students need to come to school dressed in their OLD CLOTHES.* The other items in the 'to bring' section must be name labelled and brought along in a plastic bag. Sunscreen must be applied to any skin which will be exposed to the sun at home before coming to school.

Please return the completed permission slip attached, along with the payment by Friday 17th November.

Kind Regards

Liz Villar and Kasey Kirov
