GREAT FUN

Dear Parents, Carers,

It has been an exciting week at Madeley Camp Australia OSHC. We welcomed new children/families to our service and we are only few days away from the coming Holiday Club adventures with heaps of fun for everyone.

In the last two weeks children had opportunities to participate in a range of freely chosen play and leisure activities, and we were focused on developing children's autonomy, interdependence, resilience and sense of agency. Children were open to new challenges and discoveries and the learning was promoted through play, interactions, variety of play and learning experiences planned and spontaneous. This week challenge was building and construction of Lego tower and children showed great creativity and persistence to complete their work.

We also cooked some healthy and delicious food from our Cookbook (recipes available at the service). Most popular were Awesome Anzacs.

Physical play was part of our everyday routine and most popular play area was Nature Playground.

Please pop in to our OSHC room to see what we are doing or to ask any question you might have. Our friendly team will tour you through the service and provide information should you wish to register your child/children for attendance.

We wish all of the children and families a happy school holiday!
