

Madeley Camp Australia OSHC | 9th February 2015

Welcome Back!

What a great first week back at School. The team at Before and After School Care had fun catching up on holiday stories and meeting new children. There was plenty of excitement with children starting new classes and of course the Kindy's beginning their first days of school. There has been so much activity with everyone keen to get involved, and we have already had plenty of suggestions for fun games and craft.

Some of the activities have included decorating the room. You will notice a splash of sparkles and colour across every wall with children creating beautiful flowers, lady bugs, butterfly's and more, to brighten our play room. There has been children designing our new cardboard kitchen and we are getting ready to commence the very first, Master Camp Australia Chef competitions.

There has been a lot of interest in engineering the ultimate paper aeroplane for paper plane contests, and some very healthy completion noticed in botchy games and soccer tournaments. There is so much more fun to come as the year takes off we have cooking, arts crafts and games galore in store for an engaging and entertaining year ahead.

From the Camp Australia team we welcome you all back and look forward to seeing you at Madeley Camp Australia OSHC for Before and After School Care.

Have a great Term!

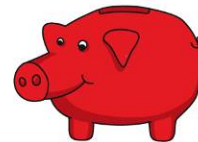

Sincerely,

The Camp Australia Team
