## Holiday Club!

What fun we have had at afterschool care this fortnight. The gardening club has really taken off with most children showing interest in watching our seeds sprout and grow.

In two weeks we have been surprised at how quickly the seeds have sprouted. The wheat grass has grown a surprising 17 cm, the broad beans are not far behind and then there are the sunflowers which are quickly catching up and are sure to over-take with expected heights of 12 meters! Our next step is to transplant the seedlings into their own pots. We welcome any donations of spare pots you may find around the garden at home.

This week we have begun Easter arts and crafts. Children have been decorating Easter eggs with bright colours and of course glitter! The room is really taking on a holiday theme and some children have started crafting their hats for the Easter Hat Parade.

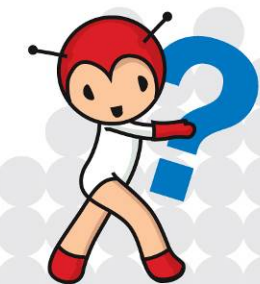

There have been many smiles as children hopped into spirit when crafting their bunny ears. We plan to wear the bunny ears during the Easter treasure hunts programmed for the last week of Term. It's hard to believe that the term 1 is nearly over. The team at Camp Australia have had a blast getting to know everyone this term and we wish you all a safe, wonderful Easter and relaxing holidays.

Remember we are here for any last minute holiday care. Bookings are now open for the Autumn Holiday Club so feel free to enquire and book your places for the fun filled autumn program "Holiday Heroes". Some holiday activities include an excursion to SciTech and the cinemas to see "HOME", also there are plenty more "Hero" themed club based activities, the information for this can be found by asking the coordinator, calling customer service or going on line.

See you again soon!

Sincerely,

The Camp Australia Team
