

Madeley Camp Australia OSHC | 15th May 2015

Hi Everyone,

We have all settled in well to Term 2 at Camp Australia Madeley and adjusting to the change in weather. Thanks to some caring staff we have received the donation of a TV and DVD player to rug up to as it gets colder. Children have been enjoying the chance to bring in their favourite movies. If they choose to, some take the time to wind down at the end of a busy day before they engage in activities and play.

In the arts and craft corner we have seen many get creative. Children have been exploring indigenous art through dot painting their own dream time stories. We have been experimenting with water colours and crayons. Using black crayon we draw silhouettes of the 'nature play area' and brush over them with water colours. Through shading and blending the colours we have been recreating the beautiful sunsets seen before we head home in the evening.

With Mother's Day last weekend we saw how the children show their love by designing their very own cards, beaded bracelets, necklaces and other presents. This gesture of giving has carried on with children engaging in making gifts for their friends such as friendship bracelets made with beads and platted wool.

There has been a great interest in animals since a child brought in DVDs of The Crocodile Hunter. Crikey, we have discovered how much they know through quizzing children on animal facts and origins in Trivia games.

You must come in to see our stunning ocean views! Yes that's right, the life like window sized master piece made from beach sand and collage creates a calming effect of the ocean right next to our homework corner. We have been very impressed by the initiative of children who make sure their home work is completed and checked before they go home, well done superstars!

We are all looking forward to another great fortnight.

See you again soon!

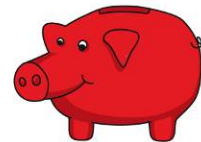

Sincerely,

The Camp Australia Team
