

Maggie Dent

quietly improving lives

From the Sandpit to Adulthood

Resilience Building Blocks from Birth to 16

Parent Seminar

For those who don't know Maggie Dent, she is a popular presenter who delivers inspiring seminars across the country, presenting her message – based on evidence based research – in a real, compassionate, often humorous and inspirational way that makes the learning truly memorable!

All parents want their children to grow to be healthy, happy, strong and kind individuals! **Resilience is the key!** It will help our kids to manage adolescence better. This seminar explores Maggie's 10 key resilience building blocks for childhood, as well as looking at the essential value of healthy support during adolescence.

Maggie acknowledges there is no 'perfect' way and that challenge, adversity and failure can actually helps our kids grow stronger and smarter...
