

Madeley Camp Australia OSHC 12th June 2015

Hi everyone,

It's time to book in for the Winter School Holidays at Camp Australia. We have many great excursions and club based activities you can find out about on line.

Last fortnight, we have enjoyed our usual variety of cooking, arts and sports. We have been enjoying the sun while it lasts by going outside and playing group games including Octopus and Chasey. There is still of course our dedicated soccer matches almost every afternoon.

We would like to congratulate the winners of our faction points Thunder and Strom Well Done. Everyone has been working very hard to earn points as a team.

At Camp Australia we have a new Home corner. The children have enjoyed playing dress up and shops. If you have any old things that are lying around the house we ask if you could bring them in to add to our Home corner

Our Home Work club is becoming popular. Keep up the good work we are here to help.

Science Experiments have been a major interest with Zoey, Tierney and Mischa making, Ink Ice. Their zany idea came about by opening up old Texas and taking out the ink. Then they explain you put it in water, mix and then freeze it. Colourfully the girls have showed and taught everyone how to make INK ICE.

In the Art corner we have been busily creating stain glass windows and lanterns out of card and cellophane.

We are all looking forward to another great fortnight.

See you again soon!

Sincerely,

The Camp Australia Team
