## A Focus on Charity and Helping Others

### South African Orphanage:

Throughout the Term, Madeley Camp Australia has been making gifts to send to a South African Orphanage through the Junior Global Citizenship Program. We have had fun making headbands, designing puzzles, and creating activity books for the children in the orphanage to play with.

### The Smith Family:

Primary school children throughout Australia have combined to raise over \$64,000 to support The Smith Family's Learning for Life program.

Throughout Term 3 we held Art and Craft exhibitions, guessing games, and "Minute to Win It" games. The Camp Australia Foundation, our not-for-profit organisation, coordinated this fundraiser and proudly matched every dollar raised.

During the next 10 years, the Camp Australia Foundation aims to positively impact the Primary School education of 1 million children. We will do this by working with our charity partners to develop exclusive awareness raising programs and by providing direct support to disadvantaged children throughout Australia and internationally.

This term our activities and games will focus around outer space. We have also been playing a lot of vet and hairdressing games that the children run themselves, so we have provided some toys for these games. If anyone has any old x-rays (without names or other details), or other toys and books they would like to donate to our service we would appreciate it very much!

We are looking forward to exploring space with everyone this term!

Sincerely,

The Camp Australia Team
