

## Check out all the fun activities happening in Your OSHC this week!

Outside School Hours Care makes it possible for all parents/guardians to work or attend to other commitments, secure in the knowledge that their children will be in a safe, supportive and fun environment - led by a team of passionate Educators – experiencing exciting and educational activities.

Every moment spent in OSHC is a moment to discover a world of possibility and growth.

Having spent the day in a classroom, children need the opportunity and space to explore their own interests and unleash their imaginations – whether that be trying new sports, craft, cooking and much, much more. With activities appropriate for all ages, here is what we have planned for the week ahead:

Monday	Tuesday	Wednesday	Thursday	Friday
<b><u>Self portraits!</u></b> Let's create our own self portrait and add on a fun fact for display!	<b><u>Chatterbox origami</u></b> Let's add in questions to find out more about others!	<b><u>First Day Interview:</u></b> Let's interview the educators to find out more about them! Will this work for Child Profile Maps too?	<b><u>Creating a map of the world!</u></b> Let's create a map of the world to highlight where we are from!	<b><u>Let's dance!</u></b> Let's let loose after a fun filled week by having a little boogie!
