## A message from your Coordinator

Dear parents/carers,

Over the past few weeks children at Camp Australia OSHC had opportunities to participate in a variety of planned and spontaneous activities that provide enrichment and enjoyment and are centred around learning outcomes of My Time Our Place Framework for school age children. Based on children's interests children were engaged in art and craft activities, imaginative play, dress up, construction with Lego blocks, cooking, physical play, music, and dance. We also catered for individual needs of children to relax and rest or do their homework. Besides, we were supporting children's healthy lifestyle by providing healthy snacks and opportunities for outdoor play and being active. Our programs are designed to encourage children to connect, be together, socialise and build their confidence.

This school holiday our nearby centres provide new mission for children to embark on in the space of Rocketeers. For any information, please visit our website at [www.campaustalia.com.au](http://www.campaustalia.com.au).

We wish all our children and families a wonderful School Holidays and looking forward to seeing you all next Term.

Camp Australia Team Madeley OSHC

## Activities coming up
