

Principal's Report to P&C

Meeting held on 15 March 2023

NAPLAN: NAPLAN Writing went well today. Reading, Language Conventions and Numeracy will be held over the next week or so. We do our best to catch up those who miss the test. NAPLAN data provides us with incredibly valuable data to support student learning needs, track progress and to analyse school trends; ensuring we are providing the best possible teaching plans to meet the needs of our students.

Harmony Day: This will be celebrated next Fri 24th March whereby students are encouraged to wear traditional cultural dress or orange clothing. There will be a range of activities that students will be involved in.

Student Leaders: Our student leaders will be attending the GRIP Conference next week. This provides support and learning about their leadership role.

Quality Teaching Strategy: We have been invited to be part of a short-listed group of schools to lead a new strategy that models exemplary practice. We will let you know how we go, the outcome will be announced at the end of this month.
